

SPLASH SCREEN

INTERACTIVE
MULTIMEDIA

ASSIGNMENT

- ☞ Design and produce a splash screen for the interactive multimedia presentation for your approved topic
- ❶ The topic and intended purpose of your interactive multimedia presentation should be obvious
 - the stylistic appearance should be appropriate to both the content of the presentation and the intended audience
 - Your choice of visuals should set the tone of your presentation
- ❷ Your splash screen must include a visual collage and the following:
 - The title of your presentation
 - The date, time, and place if your topic is an event in time
 - The individual's name and theme if your topic is a person
 - 4 active links to the main sections of your presentation
 - At least three separate source images
 - A sound effect or music
 - An animation
- ❸ Your finished splash screen needs to be a .swf file (exported flash file)
 - All images must be copyright free or you must obtain usage permission
 - Include a black and white composite laser print of your title slide
- ❹ Extra credit will be given for creating an original photograph and/or illustration and incorporating it into your design solution
